

Aloha, Welcome to Maui!

Your rental vehicle is waiting for you at the OGG- Kahului airport parking lot. Located straight across from baggage claim exit- see map below for directions.

Cross the crosswalk straight out from baggage claim exit into the parking lot passing the "Train House" on your right.

Your car is located at the designated row I.

The key is in a lock box hanging on driver door handle. Your lockbox code is attached to your instructions email.

IF Applicable- For Smart Key Only: key is separated from the fob so it can fit inside the lockbox. After unlocking the car put the key and the fob back together- The fob part is located in the center console along with your parking slip.

Separate the key again on return.

- REMOVE LOCKBOX OFF THE HANDLE by pulling the tab located at the inner-top part of the lockbox to the right. The latch will open. Place it inside the glove box until return.

- Keep in mind an up to \$15 parking fee will be required to exit the airport parking lot.

- Please reply to this email/text with a picture of your drivers license before picking up your rental.

- Attached to your instructions email are a series of photos of your rental vehicle to help you locate it and to document any existing damage currently found on the vehicle. Please do reply with as many additional photos as you would like to document any existing damage.

- Returning your vehicle is the same procedure as pickup in reverse.

Make sure to park at the same designated area. In the glove box you will find a return instructions card with simple steps for a correct and safe return.

prior to your return make sure gas tank is full or the same as shown in the instructions email attached photo. Fuel tanks with less fuel will be charged a \$15 recovery fee on top of any gas charges.
